

# Cindy Sheehan - Speaking Truth to Power

Dear Elected Officials:

When are you all going to take back your constitutional authority from the maniac in the White House? If you all won't protect us, who will?

We are seriously screwed and you all sit back and let the administrative branch take away our freedoms...

You in fact are complicit in stealing our freedoms by extending the un-Constitutional and un-Patriotic Patriot Act.

**Have you all lost your minds?**

I see a revolution coming...it won't be violent,  
**it will be a peaceful revolution.**

We don't want to lower ourselves to the level of our government.  
People are sick and tired of what's going on in America today.

We are finished allowing him to get away with deceiving the American public and abusing his power.  
We are mad as hell and we're not taking it anymore.

We the people have to hold George Bush accountable.  
**We have to make sure he answers to us.**  
If he doesn't have to answer to Congress, or the media,  
**We will force him to answer to us.**
