

If There was a Draft

DRAFT

Would You Go?

Will

Jenna & Barb

get drafted?

**No Joke- There is a bill in Congress requiring,
“mandatory service for all men and women 18-26”**

**John Kerry will continue the Occupation, that's why the
big \$\$ supports him... Iraq is their gravy train
"I will add 40,000 active-duty Army troops, a temporary increase
likely to last the remainder of the decade."- John Kerry**

Folks, we are occupying Iraq and stealing their resources, their lives are shattered.

**There is much hatred of America. We need to get out now and let some real
humanitarian aid come thru. They see us as pirates looting their country.**

Kucinich will end the shameless looting, Kerry will not.

Ending Terror = Ending Hatred of America

Who will end the hatred?

The Peaceful Revolution
